

# 2020 Fall Coach's Info.

**What:** Coaching for the fall season! If you are interested in coaching this year, we need to know. Due to Covid-19, our group sizes will be limited by the number of coaches we have, so the sooner our coaches are registered, the more ready we'll be. If you have coached in the past, or are interested in coaching, please let us know below. We need coaches that can commit to coaching for the season, as well as coaches that could be "substitute coaches" to fill in on occasion. Coaches must also have all their Pitzone requirements/registration completed before they can participate in a practice.
